Legend:

NHI = not handed in (student didn't give me the work, I haven't seen the paper)

NF = not finished (I have the work but questions weren't done)

AB = absent

DD = didn't do (as a whole class, but other classes did it)

Hints:

- 1) For the "Aaron's Hair" and "Braids", for the younger classes I picked whichever mark was higher and used it
- 2) For the Cover Hair Research, I doubled that mark since it was a bit more involved
- 3) For the "Beautiful" page, I had a specific success criteria up (see photo) that was up for two months on the board
